

How do I add another currency

1. Login to the admin module
2. Go to **Settings**
3. Scroll down until you see **Display currencies**
4. Click on "add new display currency"
5. Select the currency you want to add
6. Fill in the exchange rate to euro
7. Set the input currency to "yes" if you want to make this the default currency
8. Update (Save) the settings

The screenshot shows the admin interface with a sidebar on the left and a main content area. The sidebar has sections for 'Manage fields', 'Events reporting', 'Guest list', 'Manage guest list', 'Manage invitations', 'Vouchers', 'Manage vouchers', and 'System'. The 'System' section is highlighted with a red box. The main content area has two sections: 'Display currencies' and 'Support settings'.
