

# How do I change the webshop text

## Video tutorial:

If you want to change the text in your webshop you can follow the following steps:

1. Login to the events admin module
2. Go to "Manage events"
3. Search for your event by using the search criteria
4. Click on the name of the event to show the details (if they are not displayed yet)
5. Click on the "Edit" button on schedule level
6. Change the description of the schedule
7. Press "Save schedule"
