The Webshop

The webshop is where you offer your tickets to your customers. There are two ways to display the offers you have to your customers:

- 1. The Events overview
- 2. The Ticket overview

Customers can switch from overview by using the overview toggle buttons in the top right corner of the webshop.

FAQ How do I change the webshop picture How do I change the webshop text How do I change the schedule order in the webshop How do I change the ticket order in the webshop How do I change the month in the webshop How do I change the colors of my webshop Color selection webshop Consider the month of the colors

Events Overview

In this overview you can see all events grouped per month. The main group is the schedule and inside the schedule there are time tables. For every time table offers are displayed. The sorting on this overview works in the following order:

- 1. Schedules ordered by start date
- 2. Schedules grouped by month
- 3. Time tables ordered by start date
- 4. Offers ordered by rank
- 5. Offers of the same rank that have a larger amount will be ranked on top
