Guest list management

Within the Dizizid system you can manage your guest lists. We have several types of guest list options so you can manage your guest list in the way that is most convenient for you. There are two types of guest list functionalities that can be used:
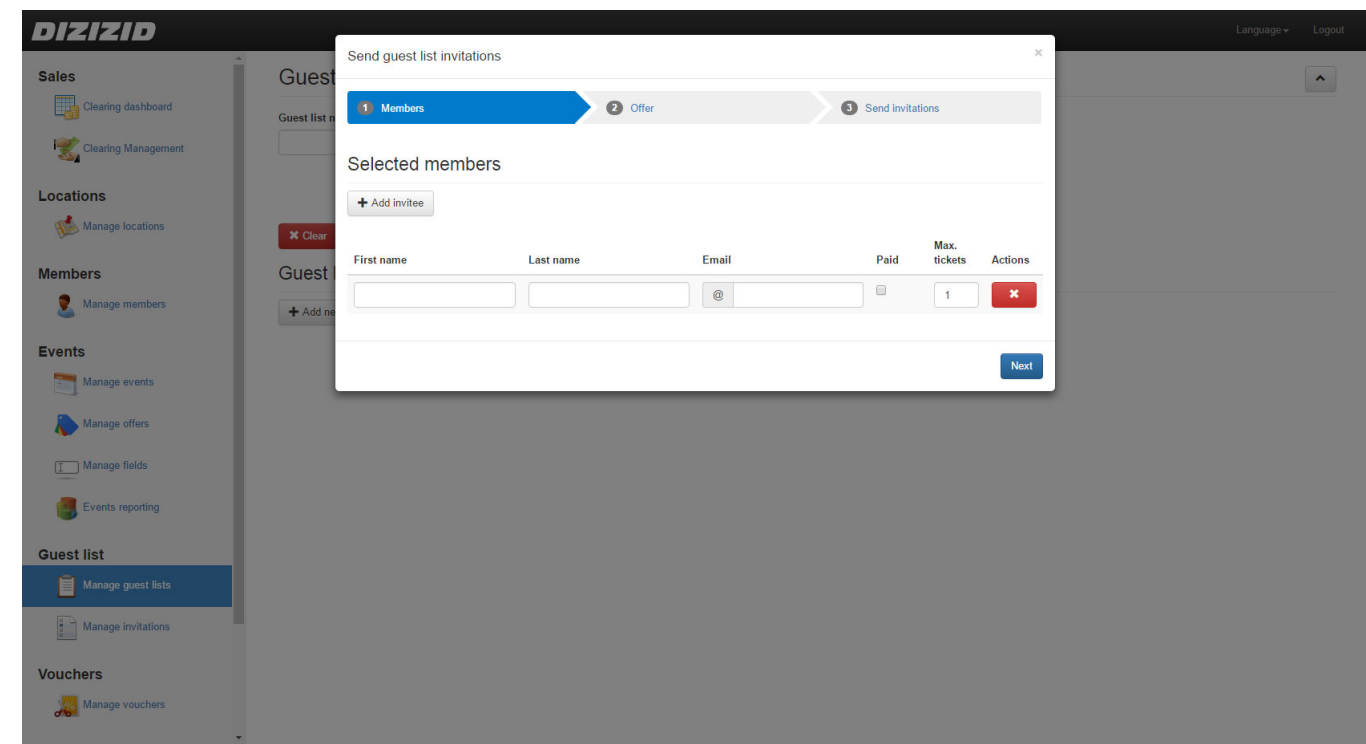

- Free guest list invitation
- Paid guest list invitation

FAQ

- How do I send a Free guest list invitation
- How do I send a Paid guest list invitation

Free guest list invitation

This is a free invitation to attend your event. [Important or VIP people]

Paid guest list invitation

This is also a guest list invitation, but for this invitation a special price has to be paid to get the guest list ticket. [Semi VIPS or friends of VIPS]
