

How do I create extra ticket offers

Video tutorial:

If you need to create extra ticket offer this can easily be done in the system. Just follow the steps below:

1. Duplicate an existing offer.
2. Rename the offer
3. Give it the correct prices
4. Check if you need to change the timetable it is linked to.
5. Double check if your required information for that new offer is correct and you are ready to publish the offer.
