## Payouts

We payout every week on Mondays. Depending on your bank you should receive the payout the next day on your bank account. In the system you can exactly see when you will receive which payment per payment method. In the "Clearing dashboard" a quick overview is shown for the payouts. You can see how much money was paid out last week and how much money will be paid out coming week.

## FAQ

- How do I get a specification of my payouts.
